

About Neil's Catering Hot Lunch Program

Neil's Catering Services, Inc. is Divine Savior Academy's hot lunch provider and handles all aspects of the hot lunch program including the menu, payments, and customer service. Neil's offers many hot lunch options for our students, as well as an easy payment system for DSA families.

PreK-5th Grade Program

In PreK-5th grade, Neil's offers two hot meal choices every day. In addition to meal options, students are also able to choose their side items from a variety of fruit, vegetable, snack, and dessert choices. The cost of PreK-5th grade lunch is \$4.50/day or \$100.00/month, beverage included.

6th-12th Grade Program

In 6th-12th grade, students eat in the high school cafeteria. They have the choice of two hot meals (\$5.00/day) or the option to purchase hamburgers, sandwiches, pizza, salads, as well as chips, beverages, and other snack items a la carte style (see attached 6th-12th menu for pricing).

Hot Lunch Menu

A monthly hot lunch menu is available in Divine Savior's school offices or online at the Divine Savior website (www.divinesavioracademy.com).

Payments

To sign up for hot lunch, parents simply create an online account for their students. Parents deposit funds directly into this account with Mastercard, Visa, or Discover card, or by mailing a check to Neil's Catering Service. Once funds are in a student's account, he/she may order from the hot lunch program.

Contact Information

Neil's Catering handles all payments and customer service inquiries. Divine Savior Academy and its employees do not have access to payment systems or parent requests. Please direct all your hot lunch program needs to:

Neil's Catering: Sign-up for Hot Lunch!

Once you have created your student account and deposited funds, your student may order hot lunch. You do not have to pre-sign up for lunch. As long as there is money in your student's account, he/she may order from the hot lunch program.

Through this online account, you can monitor your child's lunchtime purchases, track what your child has been eating, make deposits into their meal accounts, and have an email reminder sent to you when your child's account balance gets low. Each child's account will be updated nightly so that account balance information and payments will be current.

To set up your online account:

1. Go to www.myschoolaccount.com
2. Click "Create Account" on the top menu bar
3. Fill in the required information on the "Create Parent Account" page
4. Create a User ID and Password
5. Choose "Divine Savior Academy" from the "School District" drop down menu
6. Click the "Accept Terms of Service" box, and then click "Sign-up." And email will be sent to your email address that will contain a "verification code."

After you receive the verification code, you must add your child's information.

1. Go to www.myschoolaccount.com and login using your ID and password.
2. Enter the verification code to verify your account and email address.
3. Begin adding your child's information according to the guidelines provided. You will need each of your children's student ID numbers, as well.
4. After you have your child's information, you will be able to view his/her lunch account activity and make payments to the student lunch account. *Please note: A parent account can be linked to multiple children, but a child can be linked to only one parent.*

Payment Information

- You may deposit funds to your child's account via ACH payments or by credit card. You may also mail checks to Neil's Catering, Inc at PO Box 4147, Miami Lakes, FL 33014-0147.
- You may make deposits to your child's account on a weekly, monthly or annual basis. You are free to choose the amount of each deposit.
- There will be a transaction convenience fee associated with each deposit.
- Any money that is not spent by the end of the school year will be available the following school year.

Need help setting up your account or making a deposit?
