

## YOUR SUPPORT IS APPRECIATED!

Divine Savior exists because of the generous donations of others. As a nonprofit, private school, Divine Savior Academy is independently funded. We do not receive any government tax dollars for the college-prep, Christian education we provide to well over 700 students and families in the Doral community. By donating a prize for our raffle, registering for a foursome, or becoming a sponsor, you are supporting DSA.

## IN KIND CONTRIBUTION

Our program includes a raffle for our golfers. If you would like to donate a service, goods, tickets, or other items to promote your business, please indicate below. All donors will be provided with a confirmation letter specifying the tax-deductible donation amount to a 501(c)(3) charitable organization.

## THANK YOU FOR SUPPORTING DSA ATHLETICS!

Proceeds from this year's tournament will go to finishing our soccer field expansion. The field will be outfitted with new turf, lights, and expanded bleacher seating so that it can be used year round, during the day or at night. This allows our athletes extra time to train, as well as the ability for us to host soccer matches at DSA.

## DSA ATHLETICS

*Divine Savior Academy is a Christian academy dedicated to excellence in academics, athletics, and the fine arts. DSA is committed to serving students in preschool, elementary, middle, and high school with college-prep academics in a Christian environment.*
