COVID-19 (Coronavirus) Daily Message
Updated: May 20, 2020

Dear Parents,

We pray your week is going well! It was so nice to see you on Monday as you drove through the parking lot. We are looking forward to when we can enjoy more face-to-face time in the future. As we wrap-up this last week of the 2019-2020 school year, please read through the notes below.

- Our last day of instruction for the school year is this Friday, May 22. Please work with your child's teacher to complete work for this week and submit any outstanding assignments for the fourth quarter. Final report cards will be sent out later this month.
- Please look for a special video to recap the 2019-2020 school year in your Teams account this Friday. We are so glad each of you was a part of that this year!
- Please look for our next email update this Friday afternoon as we look ahead to next school year. We'll also share more about our plans to continue communicating with you about next year over the summer.

We hope you have a great finish to the year these next couple days. Again, the next message will be sent on Friday afternoon. The following is our closing prayer for this evening:

Dear Lord, thank you for your continued goodness to us during this time. We pray that you continue to keep us and our loved ones safe and that you grant wisdom to all those making decisions on behalf of our country. We thank you for the relationships we were able to build this past school year. Please continue to guide us moving forward and bless our DSA family this summer. In your loving name we pray. Amen.

Blessings,

The DSA Administration
