

DORAL CAMPUS
COVID-19 (Coronavirus) Daily Message
Updated: March 19, 2020

Dear Parents,

I hope this message finds you doing well, despite the challenges going on around us. Please remember that our Divine Savior Church staff is here to assist you with any spiritual needs you might have during this time. Our academy staff members are also available via email and phone. Despite the situation going on at the present moment, we have an awesome God whose love is constant and real. Please be reminded of this daily.

Please consider the following reminders and information:

- **You should all have received your login information today for accessing our online portal.**
- **Online instruction begins tomorrow with an introduction to our platform!** Please call our help desk if you have trouble gaining access. All of this information can be found on our Learn at Home link on the website: LearnAtHome.DivineSaviorAcademy.com.
- As communicated last night, our online program is one that is continuing to educate your children and further their knowledge. **All assignments and assessments are mandatory and required to be completed by the students. We will be issuing 4th quarter report cards.**
- **Please remember that school will meet online through at least April 15.** All events on campus are canceled through that time. (The Art and Science Fair for April 17 is also canceled.)
- This Sunday you can expect a document to be shared with middle/high school students and parents regarding expectations and schedules for the Wednesday (mandatory) and Friday (optional) synchronous learning that is done live with the teacher. **Please note this only applies to middle and high school students.**
- 3rd quarter report cards will be available April 6.

We are excited to continue educating your children at DSA. We ultimately pray that we are able to return to campus soon but trust in God's timing for this and all things. We know this is not something any of us control. We continue to be thankful for you and your families, and we are looking forward to continuing our work together. The following is a prayer that reminds us of our need for a God who is in control of all things:

Dear Father in heaven, now more than ever we recognize our need to depend on you. It is obvious that we cannot control everything. The COVID-19 virus has been a reminder that we are ultimately frail on our own. It is often easy for us to be proud of the things we create or do, but this situation reminds us that we have no power and are weak without you. Forgive us for the times we have relied too much on ourselves and not turned to you for all things. Keep our hearts and minds focused on the goodness of your promises found in God's Word. Help our faith to grow and to trust in you, and you alone, for all things. Continue to be with all of us and keep us in your care. We pray this in your Son's name. Amen.

May God's peace be your comfort,

The DSA Administration
