Early Childhood and Elementary Update

Dear Early Childhood and Elementary Parents,

I am sure you and your child were able to log into the online portal at this point. Congratulations on a successful day of learning how to use the portal! Our teachers are excited to share content in a variety of formats. This new type of learning will require patience on all levels. Beginning on Monday, all of the classes and activities your children are used to will be shared in a variety of ways. Some content will be recorded videos, others will be live sessions where you can see the teacher and interact with classmates, and other lessons will be done with interactive tools and different applications.

We truly appreciate you trusting us during this time. As you experience our online platform, we do ask you to make note of any suggestions or questions. We plan to send out a survey on Thursday of next week to gain your feedback and make any changes as needed. In addition, please note that our teachers are still working and will reply to messages and set up conferences as requested. We do not want to overwhelm parents or students at the beginning, and we are eager to hear your thoughts soon. Our next email will be sent out on Sunday evening at 7:00 pm.

Please find rest and peace in Jesus this weekend. God's blessings to all of you tonight and always. We would like to close the week with the following prayer:

Dear Heavenly Father, thank you for being our constant source of protection and love. The world as we know it has changed dramatically during the past two weeks, and there are still many things that are uncertain on so many levels. Please bless the efforts of our teachers as they instruct online in the coming weeks, and please grant success and learning to all of our students. Please give parents added wisdom and patience during this time as well. Finally, keep us focused on your forgiveness, mercy, and love. Help us to grow in our faith and love for you more and more each day. In Your Son's name we pray. Amen.

Blessings,

The DSA Administration
