

DORAL CAMPUS
COVID-19 (Coronavirus) Daily Message
Updated: March 22, 2020

Dear Parents,

We pray you all had a blessed weekend and enjoyed some time with relatives and loved ones. We have our first full week of classes, and those begin on Monday for all levels. Please make note of the following reminders as we begin the new week:

- Please remember to login each day to our online learning platform. It will be important for all students to complete assignments and submit their homework by the due date.
- Our school counselors, Mrs. Camila Quintero and Mrs. Camila Montesano, have created two documents for your use. One is the procedure for scheduling an appointment and the other is a page of resources for you as a parent. Both documents are included in this email as an attachment.
- Please reach out to your child's teachers with any questions. They will reply within 24 hours of any message sent during the school week.
- Video conferences with teachers can be scheduled via our Learn at Home website link (learnathome.divinesavioracademy.com) beginning on the afternoon of March 23. Teachers will also communicate this information through email and/or Microsoft Teams.
- MS/HS parents and students, please read the attached document, which outlines online learning expectations. There are items on this handout that are relevant to Wednesday and Friday's "live" instruction days. The schedule for the class periods is also attached in this document.
- Look for a survey on Thursday that will allow for you to share feedback with us regarding your child's online experience.

We hope you all have a great week. Please do not hesitate to reach out to your child's teacher or a member of the administration if you have any questions. We are praying for our students, families, staff, and our neighbors around the world during this time. Please consider the following prayer this evening:

Dear Father in heaven, we thank you for the rest of this past weekend. We continue to ask that you help us to place our trust in you and to strengthen our faith during this time. Please keep our hearts and minds focused on the message of the cross, which is still the most important thing needed in our life. We have a God who sent his one and only Son to be born of a woman, who would live a perfect life, and die an innocent death in our place. He did all this so that our sins could be forgiven, and that we would have the hope of heaven to look forward to one day. Thank you for this amazing blessing that you give freely out of love for us. Give us peace this week and always. In your Son's name we pray. Amen.

Blessings,

The DSA Administration
