

DORAL CAMPUS
COVID-19 (Coronavirus) Daily Message
Updated: May 17, 2020

Dear Parents,

We pray your weekend was enjoyable! This is the last full week of classes for the 2019-2020 school year. Please encourage your child to submit all of their work this week and to turn in any other assignments that might be missing. Our announcements for the week are the following:

- **Middle school elective forms are available at [this link](#).** Parents must submit this form, not students. Directions can be found in the form.
- An email went out earlier today to 5th-11th grade parents regarding physical and sports forms for next year. Please reach out to our athletic director, Mr. Kasten (brian.kasten@divinesavioracademy.com) with any questions.
- Middle school parents are asked to submit the survey regarding the iPad program that was emailed to them by Mr. Kurbis last week.
- We will be having a drive-by book and item exchange for all of our students during the last week of school. Please [click here](#) for the schedule so you can begin to plan accordingly. Parents will be driving to a designated location (to be communicated by your homeroom teacher later this week) to drop off any textbooks or school materials. The teachers and staff will have bags (labeled with your child's name) ready to return to you with their remaining supplies. Please stay tuned for further details.
- AP exams are taking place this week and next for high school students in AP classes.
- **Senior graduation endorsement forms** were emailed to each senior and are due tonight. If your senior has not submitted their form yet, please ask them to do so at [this link](#).
- **Please remember that our last day of instruction (at all levels) will be this Friday, May 22.** The final three days of school (May 26-28) will be for students to submit any missing homework assignments before final grades are calculated. Remember that PreK-3 through 5th grade will still be offering a live session on these days.
- Please continue to check out our Divine Savior Church resources. Daily devotions, messages on demand, and Bible based activities for kids can be found by clicking [here in English](#) or [here in Spanish](#).

We pray you all have a blessed week and great finish to the year. The next message will be sent on Wednesday evening. The following is our closing prayer for this evening:

Gracious God, thank you for the rest of this past weekend. We pray for your continued protection over all of us and that you keep our community safe in the coming weeks as the entire state prepares to enter phase one of reopening. Continue to keep us focused on you and trust in your unfailing promises. We ask for your forgiveness for the times we fail to do what we should and thank you for the gift of eternal salvation to all who believe. We pray this all in your name. Amen.

Blessings,

The DSA Administration
