

SIENNA CAMPUS
COVID-19 (Coronavirus) Daily Message
Updated: March 22, 2020

Dear Parents,

We pray you all had a blessed weekend and enjoyed some time with relatives and loved ones. Tomorrow begins our first day of distance learning for all grade levels. Please make note of the following reminders as we begin the new week:

- Please make sure that you are able to access either Google Classroom or Seesaw if you haven't done so yet.
- Students in grades 3-8 should join their Google Classroom classes tonight to verify they have access to all classes.
- Classes and assignments will be posted for each day by 9 AM. Students are expected to sign in every day to check their daily work.
- Please don't hesitate to contact your classroom teacher or the school office if you have any questions or concerns. We thank you for your patience in advance as we get used to this new learning experience.

We hope you all have a great week. We are praying for our students, families, staff, and our neighbors around the world during this time. Please consider the following prayer this evening:

Dear Father in heaven, we thank you for the rest of this past weekend. We continue to ask that you help us to place our trust in you and to strengthen our faith during this time. Please keep our hearts and minds focused on the message of the cross, which is still the most important thing needed in our life. We have a God who sent his one and only Son to be born of a woman, who would live a perfect life, and die an innocent death in our place. He did all this so that our sins could be forgiven, and that we would have the hope of heaven to look forward to one day. Thank you for this amazing blessing that you give freely out of love for us. Give us peace this week and always. In your Son's name we pray. Amen.

Blessings,

The DSA Administration
