

SIENNA CAMPUS
COVID-19 (Coronavirus) Daily Message
Updated: March 24, 2020

Dear Parents,

Our prayers continue to be with you. Thank you so much for your support in helping us implement our online instruction. The teachers have been working very hard to make sure that this was done well. I am very pleased with how our first two days have gone and the effort that our students are putting in their work. I know that behind every student is a team of parents and family members supporting us along the way. Thank you so much!

Please read the following reminders:

- With tonight's announcement from Fort Bend County, our teachers will be delivering lessons from home until April 3. We were prepared for this and are confident that our teachers will be able to continue to offer the same education from home.
- The school office will remain open with essential staff. If you have a question about your child's education, please reach out to your individual teacher. You may contact the school office for any other questions.
- We will be having chapel delivered with a short video message. This will be shared with students tomorrow and to our school families through our social media accounts.
- Thank you again for your support! Please reach out to us with any questions, concerns, or feedback.

We continue to pray for all of you. Please consider the following prayer this evening:

Dear Father in heaven, we continue to pray for the COVID-19 situation around the world. You are our foundation, and our hope is ultimately found in you. Continue to guard and keep us safe during this time. Continue to bless the work of everyone working overtime to create solutions for this pandemic. Finally, we pray for our hearts and minds to be filled with an overwhelming peace and calm that is found in you and your promises. We pray this in your Son's name. Amen.

Blessings,

The DSA Administration
