

SIENNA CAMPUS
COVID-19 (Coronavirus) Daily Message
Updated: March 31, 2020

Dear Parents,

We pray that your week is off to a great start. God is continuing to protect us and His mercies are new every morning. Each day we wake up is a new day to be grateful for the blessings we continue to receive. Each day also gives us new opportunities to go to our Father in prayer with anything on our mind. May God's mercy and grace give you peace today and always.

General Announcements

Governor Abbott announced that he is expanding his executive order requiring that schools remain closed until May 4, 2020. DSA will follow this executive order having online classes during this time and canceling all scheduled events.

Mr. Morgan was recently offered a position to teach and serve as athletic director at Huron Valley Lutheran High School located in Westland, MI. This week the Morgans decided that they would continue to serve at DSA. We are so thankful and appreciative of their continued service to the Lord alongside our DSA family!

DSA PTO Steps in to Help!

Thank you so much to our DSA for making an immediate impact on the education of our children. This past week the faculty of DSA joined our community in staying home to work, which meant sharing pieces of technology was no longer an option. Our PTO came to the rescue of Mrs. Melott by providing her with an iPad of her own, immediately impacting her ability to communicate effectively with her students. It has already made a huge difference in helping her reach her students. Thank you, parents of the PTO, for all of your hard work this year in raising funds to make this possible!

We continue to pray for you and your families during this time. Please reach out with any questions during the break. We close this Tuesday with the following prayer:

Lord, thank you for the rest of this past weekend and the start of this new week. A great deal of uncertainty exists for many people regarding work, school, and a variety of upcoming plans. Even though we do not know when this situation will pass, we do know that you are still in control of all things, and we trust that you can and will accomplish good through all this. You remind us in Ephesians 3:20-21, "Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen." Please give us peace and comfort in these words tonight and always. In Your name we pray. Amen.

Blessings,

The DSA Administration
