Upcoming Events

February 8 – Chapel at 8:45 am

February 8 – Mommy and Me at 8:30 am

February 12 – Open House at 9 am

February 22 – Family Movie Night at 6 pm

Mommy and Me on Friday

Caregivers and children age 0-4 are invited to our next, free Mommy and Me class this Friday at 9:30 am.

Parent-Teacher Conferences

Please look for an email later this week with more information about scheduling your second semester parent-teacher conference. Conferences will be held the week of February 25. We look forward to meeting with you!

Valentine's Day Cards

If you would like to send valentine cards along with your child to class, we'll take a little time on Thursday, February 14, to exchange those cards in the classroom. You do not need to write names on the cards as we'll pass them out with the group for each child to bring home. If you have any questions, please ask your child's teacher.

Open House

Our next open house will be held on Tuesday, February 12, at 9 am. Families from the community are invited to come tour our facility and learn about our programs. If you know anyone looking for a school for next year, please let them know about this opportunity. More information is available on the

Delray Beach section of our website (www.divinesavioracademy.com).

Save the Date and Join Us!

You and your family and friends are invited to join us at the following events these next couple months. Please let us know if you have any questions or want to learn more.

- **DSA Family Movie Night:** We'll be watching a superhero film and enjoying popcorn on Friday, February 22 at 6 pm. For those of you that want to come dressed up, you can enter our costume contest.
- **Touch a Truck Event:** On Saturday, March 9, come explore a fire truck, ambulance, police car and a variety of other community vehicles. We'll also have face-painting and inflatables for a fun, family afternoon. This event runs 10 am – 2 pm in the DSA parking lot.

Dentist Visit Next Month

We're looking forward to having someone from Young Dentistry visit our classroom on Monday, February 11, to share some good tips for keeping our teeth healthy.

In the Classroom this Week:

Our Bible story this week is the Three Men in the Fiery Furnace. We'll hear how God protected the men that refused to worship a false god.

In small group, the preschoolers will work on drawing and measuring lines, describe and sort by texture, use balances to weigh and compare the weight of objects, and measure and record the length of various classroom items. We'll also use watercolors and work with rhyming words.

In Math, Kindergarten will be adding numbers 0-20 together when counting cubes. We'll also be problem solving by drawing pictures to find the solution to addition or subtraction problems.

This week, in our Social Studies unit "What is in My Neighborhood," Kindergarten will be designing our neighborhood in the classroom. We'll be making different types of buildings, outdoor spaces, and planning where roads will connect the buildings.

In Language Arts, Kindergarten will be identifying the sounds /m/, /n/, and /c/. We'll also be blending sounds and building words. The children will be working with new stories in the fantasy genre and creating journal entries involving characters in the books.

In Movement, the children will be working on ball-handling skills this week. We'll work on balancing and ball control.

Our Art experiences this week will include water painting, painting with spaghetti noodles, magnified art, and creating artwork with colored rice.
