About Tammy's Catering Hot Lunch Program

Tammy's Catering Inc. is Divine Savior Academy's hot lunch provider and handles all aspects of the hot lunch program including the menu, payments, and customer service. Tammy's offers many hot lunch options for our students, as well as an easy payment system for DSA families.

PreK-5th Grade Program

In PreK-5th grade, Tammy's offers two hot meal choices every day as well as the choice of a sandwich or salad. Each meal includes a protein, vegetable, side items, and a dessert (usually a fresh fruit or cookie on Fridays). The cost of PreK-5th grade lunch is \$5.50/day, beverage included. Breakfast is offered from 7:30am-8:00am in the high school cafeteria.

6th-12th Grade Program

In 6th-12th grade, students eat in the high school cafeteria. They have a variety of hot meal choices (\$6.00/day) or the option to purchase hamburgers, sandwiches, pizza, salads, as well as chips, beverages, and other snack items a la carte style (see attached 6th-12th menu for pricing). Breakfast is offered from 7:30am-8:00am in the high school cafeteria.

Hot Lunch Menu

A monthly hot lunch menu is available in Divine Savior's school offices or online at the Divine Savior website (www.divinesavioracademy.com).

Payments

All DSA students automatically have a lunch account. Account payments can be made in the form of cash, check (Tammy's Catering), cash app, Venmo, Zelle, or credit card. Payments are taken by phone, in person, or online at schoolpaymentportal.com. An automatic payment account can be set up by filling out the bottom of the CC authorization form. Parents have the option to choose for the account to be replenished automatically weekly, biweekly, or monthly. Middle and high school students can also pay by credit/debit/apple pay at the time they obtain their lunch. VENMO/CASH APP/ZELLE (786.501.9620) (ALL PREVIOUS ACCOUNTS STAY THE SAME AND FUNDS ROLL OVER EVERY YEAR.)

Tammy's Catering: Signup for Hot Lunch!

Once you have turned in your credit card authorization form, created an online account, and deposited funds, your student may order hot lunch. You do not have to pre-sign up for lunch. As long as there is money in your student's account, he/she may order from the hot lunch program. Students who need a lunch and have a high negative balance/parents can't be reached will be given a ham sandwich.

Through this online account, you can monitor your child's lunchtime purchases, track what your child has been eating, make food restrictions, make deposits into their meal accounts, and have an email reminder sent to you when your child's account balance gets low. Each child's account will be updated nightly so that account balance information and payments will be current.

Below is a quick guide to setting up your User ID. If you would like detailed information, use the "Parent Guide to School Payment Portal 2021".
