12th Grade Student
Country of Origin: Japan

“Coming to
Divine Savior
was definitely
the right choice,”
Shino says.

Experience in the United States:

Her experience in the United States has been very positive: she loves her homestay family, her classes are interesting and challenging, and she has made a lot of great friends.

Academics:

Shino is earning almost all straight A's in her classes, and her English has improved since coming to DSA. She is one of the top students in the twelfth grade!

Outside of Class:

Shino is able to participate on the varsity basketball team, which has made her experience at DSA even richer. She says, “Basketball is hard, but the more we practice, the better we get, which is rewarding. The teammates are nice and I like getting to know more people in different grades.”

Location:

Divine Savior Academy's location in the beautiful, safe, and diverse city of Doral makes Shino's life very different than in Japan. “Florida is super nice because it's always summer and the weather is good. You can go to the beach and be outside every weekend.”

Final Thoughts:

Shino has been a great addition to Divine Savior, and she surely has a bright future ahead of her! Her positive experiences here are preparing her for what comes next in her life.
