# Divine Savior Academy

*A Christian Academy Dedicated to Excellence*

To Whom It May Concern:

This year Divine Savior Academy is celebrating its 20th year as a Christian academy dedicated to excellence. We thank God for His abundant blessings and everyone in our Divine Savior Family that has been part of this journey. Over the years we have been blessed to add state-of-the-art facilities to serve our growing enrollment and provide our students with the best opportunities to succeed academically, socially, and most important, spiritually.

We are excited to announce the expansion and updating of our current athletic field. This new athletic complex will include Field Turf, expanded bleachers, and stadium lighting to allow for night games, events, and more. It will truly be a game changer for our campus and Divine Savior athletes.

We need your help to make this project a reality. As a result, we are humbly asking you to consider supporting our Divine Savior Sharks. Your gifts and 100% of the money raised at this year's gala will go directly to the design and development of this ambitious goal. Together we can continue to give our students the best in both the classroom and on the field.

Thank you for joining us on this journey in Christian education. Your generosity will truly make a difference and impact our mission.

Thank you and God bless,

Pastor Carlos Leyrer  
President
